

Getting to Canalside Activity Centre

There are parking / drop off points at the following places:

1. Corner of St. Francis Road / Feniscliffe Drive (BB2 2TZ). For larger events we also use the small car park for Feniscliffe playing fields.
2. Drop off and limited parking - End of Bonsall Street (BB2 4DD).
3. Additional evening parking – Car park at (BB2 4DB).

Please encourage people to car share where possible to reduce the amount of traffic and parking spaces needed. For Groups, we encourage you use drop off point BB2 2TZ and then walk as a group to Canalside along the footpath and over the railway bridge.

Finally, we request visitors do not park on Bonsall Street as there is limited parking for residents. Wherever you park, please be considerate of local residents.
